SUNMI D2s COMBO Smart Desktop Terminal

Four in one. Get what you need in one go.

Get What You Need In One Go

A D2s COMBO comprises one or two displays, a printer, a keyboard and a cash drawer in one, which is specifically designed for business.

Clear Your Table At One Stretch

The integrated design featuring orderly cabling not only downsizes the area occupied, but also makes D2s COMBO eye appealing to customers.

Various Ports For Accessories

Accessories including other barcode scanners and receipt printers can be easily connected for use.

Optional Accessories

SUNMI 89-Key POS Keyboard
Small but speedy.

SUNMI Mini Cash Drawer
The reliable cash drawer for you.
