SAM4S
Sapphire 2.60Ghz
J6412 CPU / 4GB RAM / 64GB SSD

Incorporating the latest "fanless" Celeron processor from Intel. The SAM4S Sapphire is one of the fastest & quietest PC POS terminals in its class. Providing efficient and reliable Point of Sale technology.

- Easy Access to SSD.
- Vibrant 15" PCT Display.

The Sam4s Sapphire offers vibrant & precise 15" projected capacitive multi-touch display and is extremely durable in most environments including withstanding water contact, dust & grease (IP55 Rated).

The Sam4s projected (PCT) will activate with either a bare finger or a capacitive stylus preventing users from using pens, credit cards or sharp objects which potentially would reduce the life expectancy of resistive touch panels. In addition the screen has a more vivid & crisp colour enhancing the quality of the POS user interface.

Incorporating the latest Intel Celeron Elkhart Lake fanless processors' combines speed and efficiency along with quiet operation the Sam4s Sapphire is one of the fastest & quietest PC POS terminals in its class.

Coupled with its on board 64GB SSD, ensures that the solid state drive remains dust free & ingress free, ideal for harsh retail & hospitality environments.

With its spill proof multi-touch bezelless display, ergonomic design and innovative base, the Sam4s Sapphire is one of the most stylish and aesthetically pleasing point of sale terminals in its class. With either traditional stand or VESA options for wall & pole mount provides greater flexibility of installation.

The Sam4s Sapphire Touch Screen is supplied with an external power adaptor

Use LCD Rear Customer Displays for Food & Drink Promotions like 'Happy Hour', 'Kids Eat Free' etc.

for ease of replacement. A reliable & accessible system the Sam4s Sapphire PC POS terminal has many added benefits making it excellent value for money & a great investment as your POS equipment.
