

# Epson TM-m10 Series

DATASHEET / BROCHURE

Print receipts anywhere on the shop floor thanks to the TM-m10's easy connectivity with any smart device, and flexible, ultra-compact design.

With a focus on mobile connectivity and a ultra-small footprint, this compact receipt printer is ideal for tablet POS environments, such as hospitality and specialist retail. It's ideal for customers looking to upgrade from an electronic till to a tablet POS system, including those currently using PC POS. And as the industry's smallest 58mm receipt printer<sup>1</sup>, it's easy to position anywhere you like.

#### Built for easy connectivity with tablets

By touching an NFC-equipped mobile device or tablet to the TM-m10 printer, it is easy to pair both together to print. ePOS print<sup>2</sup>, the printer's built-in intelligence that communicates with web applications, allows direct printing from ANY mobile device without the need to install or update drivers. It is available for iOS, Android and Windows.

#### Position anywhere thanks to its sleek, compact and stylish design

With its sleek, stylish and compact design, the new TM-m10 is ideal for tablet POS applications and fits perfectly into small and medium-sized retail and hospitality environments, helping them to operate more efficiently and productively. With Ethernet, Bluetooth or Wi-Fi interfaces, it can be integrated into virtually any operating environment. By easily swapping just two covers the printer can be placed either horizontally or vertically - therefore top load or front load is possible.

#### KEY FEATURES
