

# RESAY FOOD PAGER SYSTEM

*Streamline Your Restaurant Operations & Enhance Customer Experience*

## Why Choose Our Pager System?

- **Instant Alerts** - Guests are notified as soon as their order is ready.
- **Minimise Wait Times** - No more shouting out order numbers or missed calls.
- **Enhanced Efficiency** - Staff can concentrate on service rather than tracking orders.
- **Bespoke Designs** - Branded pagers to complement your restaurant's atmosphere.

## How It Works?

1. **Order Placed** - The customer places an order via table kiosk.
2. **Pager Activated** - The guest is given a portable pager.
3. **Alert When Ready** - The pager vibrates or flashes once their order is ready.
4. **Pickup & Enjoy** - Guests collect their orders without any delays.

## Perfect For:

- Quick-Service Restaurants (QSRs)
- Hotels & Resorts
- Food Courts & Cafeterias
- Food Trucks & Pop-Ups
